Fresh Ink

Want to be the first one to read new and upcoming books BEFORE anyone else?

Introducing a new program at Porter Square Books called FRESH INK that allows young people between the ages of 7-17 to read books BEFORE they are published. How do we do this? Publishers send us early copies of books months ahead of publication to help us decide which books we want to carry on our shelves. These early books are called Advanced Reader Copies (ARCs) and unfortunately for us, we just don't have time to read everything. So we're asking for your help.

Here's how the program works:
1. Fill out and return the attached enrollment form.
2. Pick any book of your choice from our pile of ARCs.
3. Read it. And you get to **keep** the ARC.
4. Email us your review to: **kidsread@portersquarebooks.com**
5. Choose another ARC from the pile.
6. Repeat.
7. All reviews will go to our blog at http://freshinkpsb.tumblr.com

The fine print:
- Only one ARC at a time. Once we get your review, you can take another.
- If we use your review on our shelves, you will earn a $5.00 store credit (limit 2 per month) to be used toward any book (one credit allowed per book). Credit will not be given until the review appears on our shelves.
- Even though you are limited to 2 credits per month, you are able to pick as many ARCs as you are able to review.
- If you don't have email, just write up your review and bring it into the store.
- Reviews may be edited.
- We may also use your reviews for our store's website.
- Fill out the bottom portion to enroll in this program.

What to think about in writing your review:

What did you like about the book? What didn't you like? Would you recommend it to your friends? Was it similar to any other books you've read before? What's the most important thing someone needs to know about the book?

Don't worry about trying to answer every question here. These are just jumping off points to get you started. Try to keep your review under 100 words.
